### Itinerary

This itinerary is a confirmation of your reservation and part of your electronic ticket. Your booking is now confirmed and you do not need to contact us before flying to re-confirm your travel arrangements. This ticket is issued as a ticket with fixed flight date. According to the tariff rules, all fares, taxes, charges and fees for other services for unused flights are non-refundable except as explicitly provided in the general conditions of carriage. All Wizz flights are economy-class only.

### Travel documents

Approved photographic ID is required on all flights to comply with the requirements of your departure and destination countries. If you have checked-in online you must present the same travel documents given during the web check-in at airport security and boarding gate.

### Children/Minors

If your reservation includes a child/minor please make sure you are aware of the rules of the departure country regarding children travelling abroad. Please make sure that you are in possession of all the necessary documents (eg. permissions from parents not travelling) required by that country. If you are travelling with an infant and have checked-in online, please print the infant's boarding card as you will need to present it at the boarding gate.

### Changes of reservation

You can change the date, time and routing of your flight online or via the call centre and up to 3 hours prior to scheduled departure time. You will be required to pay change fee and any fare difference if applicable.

### Claims

Acceptance of the baggage without complaint made before leaving the transit area and without completion of the Property Irregularity Report (PIR) is considered to be evidence that the baggage has been delivered in good condition and in accordance with the contract of carriage. For more information regarding baggage claim please refer to the proper section of the [general conditions of carriage](#).

Complaints relating to the carriage by air (other than baggage claims) must be made in writing as soon as possible, after arrival of the flight in connection with which you would like to complain, but not later than within 2 months from discovering the circumstances giving rise to the complaint. You are liable for any loss or damage

arising from the delay in making your complaint. Wizz Air will assess the complaint according to the general conditions of carriage effective on the day of the contract.

**Medicine on Board**

We kindly recommend taking any necessary MEDCINE on board with you which you might need during the flight. Keep medicine in your HAND LUGGAGE at all times in its original packaging, carry enough to last the duration of your trip and carry it in your HANDBAG for easy access. We kindly recommend that you inform your cabin crew of any ALLERGIES or ILLNESSES. Wear a Medic-Alert bracelet or necklace. Consider avoiding travelling alone if you have health problems.

**Conditions of contract**

Carriage is subject to the applicable tariffs. Please refer to the [general conditions of carriage](#) available on [wizzair.com](http://wizzair.com).

**Liability**

If the passenger’s journey involves an ultimate destination or stop in a country other than the country of departure, the Montreal Convention or the Warsaw Convention may be applicable. These conventions govern and in most cases limit the liability of carriers for death or personal injury and in respect of loss or damage to baggage. Please refer to the [general conditions of carriage](#) and applicable national and international legislation for complete information regarding air carriers’ liability limits and claims procedures.
